“Our daughter and (now) son-in-law had their wedding reception at the Gallery On West. We can't say enough good things about this venue! With a large kitchen and bathrooms, the venue is spacious, clean, versatile, and affordable. Our kids had their wedding ceremony in Foker Park, just a few minutes away from the Gallery. It's a beautiful park, with a pond and bridges that made a nice background for pictures.

For a very reasonable cost we rented the gazebo. We were even able to use the chairs from the Gallery on West. If you are considering a gathering of any kind in the Argos area, we heartily recommend giving the Gallery on West a call!”

“I held a Fundraising event here for my nonprofit organization the Just in Case Foundation. The event center was the perfect place to host our event, and the staff went out of their way to ensure our event was a success! I will definitely be booking here for future events as well!”
